XI. Read the list of Local Funds general works that remained incomplete on the 30th June 1913.

Resolved that the list be submitted to Government for sanction. The cost of completing these incomplete works may be met out of the current year's District Fund Budget under B. Public Works as the entire allotment from Local Funds general will have been credited to the District Funds.

XII. Read letter No. 2, dated 1st July 1913, from the Amildar, Kunigal Taluk, forwarding the opinion of the Taluk Board, Kunigal, *re* the opening of a toll gate at Nidasale, with reference to the District Board resolution of 28th May 1913.

(2) Read also letters from the Presidents of the District Boards of Shimoga, Mysore and Hassan on the same subject.

Resolution.—Resolved that the lodge which is a very useful addition to the other Local Fund institutions at Kunigal, being in a state of utter disrepair, it is both necessary and desirable that its repairs should be taken up at a very early date. But as the total cost of the repair exceeds Rs. 1,400, it is not possible to provide such a large amount in a lump from the budget grant under B. Public Works or from any other head by means of reappropriation. However, the Executive Engineer may be requested to state whether it is possible for him to spare a portion of the cost of repairs out of his grant of Rs. 47,382 under A. Public Works. And out of the current year's grant under B. Public Works a sum of Rs. 500 may be set apart for the same purpose by deferring some of the budgetted works.

(2) The summary of discussion on the subject from the Proceedings of the Representative Assembly of 1912.

Resolved that the appointment of an Assistant Engineer to supervise the execution of District Fund Works is necessary but that the Board is of opinion that as in the case of the District Overseer, who while supervising the district maramat works is paid from Public Works Department funds, so the Assistant Engineer, if appointed, should also be paid from the same funds as the finances of the Board are quite inadequate to maintain such a highly paid official.
